## GENERAL CONSENT FOR TREATMENT (PAGE 1 of 2)

HIM #129s

I understand that the University of North Carolina Health Care System (UNC Health) is an integrated health system made up of various entities as reflected at [www.unchealthcare.org/documentapplicability](http://www.unchealthcare.org/documentapplicability) (each referred to in this form as a “UNC Health affiliate” or collectively as “UNC Health affiliates”). **This consent will be effective for 1 year after the date I sign it at any UNC Health affiliate of which I am a patient; however, this consent will not expire for services, claims processing or collection activities for admissions or visits occurring while this consent was in effect.**

### Consent for Treatment/Care

I consent to treatment and care by UNC Health affiliates and by their physicians and health care providers, including those who are located at sites other than the one at which I am present and who provide treatment and care through electronic communications/telemedicine. I also consent to treatment and care by physicians and health care providers who are not employees or agents of UNC Health affiliates (including but not limited to physicians and providers in the specialties of emergency medicine, anesthesia, surgery, pathology, psychiatry, obstetrics and gynecology, radiology, oncology, cardiology, neurology, pediatrics and internal medicine) but are authorized by UNC Health affiliates to provide treatment and care to me as a patient of the UNC Health affiliate, and who provide services to the UNC Health affiliates’ patients in accordance with their professional judgment (collectively, “Independent Providers”). I understand that my treatment and care may include routine care, such as immunizations, and a variety of other medical services depending on my condition, such as laboratory testing. I can receive a list of services and care that I have received from UNC Health affiliates. I understand that my care team at UNC Health affiliates may include resident physicians and students or other trainees. I am aware that the practice of medicine (including surgery) is not an exact science, and no one has made any guarantees about the results of my treatments, examinations, or procedures.

### Consent for Use and Release of Information

I give permission to UNC Health affiliates – including their treating and referring providers and other staff members – to release any information about me, my health, the health services provided to me, or payment for my health services as permitted by law. For more detailed information about the way my information may be used or released, I can read UNC Health’s *Notice of Privacy Practices*.

I give permission to UNC Health affiliates and their employees, agents, and contractors to take photographs or make videos of me for permissible treatment, payment, health care operations, education and for research purposes where either I have given consent or an Institutional Review Board has approved as long as such recordings are consistent with policies and laws that protect my rights.

### Consent for Use Within UNC Health

I further give permission to UNC Health affiliates and their treating providers and other staff members to disclose to each other any of my sensitive information necessary for my treatment, including information related to behavioral and/or mental health (including records of my treatment by a facility whose primary purpose is to provide services for the care, treatment, habilitation, or rehabilitation of the mentally ill, developmentally disabled, or substance abusers, as defined by N.C.G.S. Chapter 122C, Articles 1 and 3), drugs and alcohol (including records of a provider that provides alcohol or drug abuse diagnosis, treatment, or referral, as defined by federal law at 42 C.F.R. Part 2), HIV/AIDS and other communicable diseases, and genetic testing.

### Financial Responsibility

I understand and agree that physician charges for medical and related professional services performed or supervised by a physician will be billed separately from hospital charges. I understand that my actual charges may be different from charge estimates given to me. I also understand that an insurance company may not pay the full amount of my charges, and I may be responsible (as a patient, spouse, guardian, or the parent of a minor child) for the amount not paid. If I do not have health insurance or have not provided current or accurate insurance information, I am responsible for payment of all charges. If I have overpaid any of my accounts with a particular UNC Health affiliate, I agree that the overpayment may be applied to pay any outstanding charges on any of my accounts with other UNC Health affiliates. I designate UNC Health as my authorized representative with respect to any health or liability insurance policy or any group health plan, fund or program applicable to me, and I authorize UNC Health to exercise on my behalf any grievance, claim or appeal rights, including external review rights, I may have under any such health or liability insurance policy or group health plan, fund or program.

### Medicare/Medicaid/Insurance Certification, Assignment & Payment Request

I have been informed that Medicare will only pay for services that it determines to be reasonable and necessary under section 1862(a)(1) of the Medicare Law. I certify that the information given by me or by my authorized representative in applying for payment for my health care under the Medicare or Medicaid programs is correct. I request that payment of authorized benefits be made to the appropriate UNC Health affiliate on my behalf. I authorize UNC Health affiliates to bill directly and assign the right to

\* S D C O N A U T \*

all health and liability insurance benefits otherwise payable to me, and I authorize direct payment to the appropriate UNC Health affiliate.

**Social Security Number**

I have given my social security number voluntarily. UNC Health affiliates may use it for accurate identification, filing insurance claims, billing and collections, and compliance with federal and state laws.

**Wireless Telephone Number and Electronic Mail**

UNC Health affiliates, Independent Providers (as defined above), and/or any of their respective agents, representatives, or business associates (including their billing service providers or debt collectors), may contact me by electronic mail or telephone (including phone calls, prerecorded messages using automated technology, or text messages) at any electronic mail address or number contained in my UNC Health affiliate's or my Independent Provider's records, including wireless telephone numbers, for the purposes of communicating with me about my health care, requesting information about patient satisfaction, servicing my account, and/or collecting amounts due. I also understand that UNC physician researchers or members of their research team may also contact me via phone or electronic mail to determine my interest in participating in human subjects research. I consent to receive electronic mail, text messages, phone calls, and prerecorded messages using automated technology from UNC Health Care affiliates, Independent Providers, and/or any of their respective agents, representatives or business associates, including their billing service providers or debt collectors. I understand that consent to receive electronic mail, text messages, phone calls, and prerecorded messages using automated technology is not required to receive health care services. I understand that if I wish to revoke consent to receive communications from UNC Health affiliates via phone calls, text messages, prerecorded messages using automated technology, or electronic mail, I may do so by following the instructions in the communication regarding opt-out, if any, or by calling UNC Health Customer Service at (888) 996-2767. If I wish to revoke consent to receive communications from an Independent Provider via phone calls, text messages, prerecorded messages using automated technology, or electronic mail, I may do so by following the instructions in the communication regarding opt-out, if any, or by contacting the Independent Provider directly.

**Personal Property**

Unless I am a resident of a skilled nursing facility, I understand that UNC Health affiliates do not assume responsibility for my personal belongings that I keep in my possession, and I release UNC Health affiliates from all liability for the loss or theft of, or damage to, such belongings.

**I UNDERSTAND THAT I MAY WITHDRAW THIS CONSENT IN WRITING. MY WITHDRAWAL WILL NOT BE EFFECTIVE FOR ACTIONS ALREADY TAKEN BY ANY UNC HEALTH CARE AFFILIATE, OR IN PROGRESS.**

**I AUTHORIZE UNC HEALTH CARE AFFILIATES TO RELEASE ALL RECORDS REQUIRED TO ACT ON THESE REQUESTS. I HAVE READ AND UNDERSTAND THIS FORM, BEEN OFFERED A COPY, AND I AM THE PATIENT OR I AM AUTHORIZED TO ACT ON BEHALF OF THE PATIENT TO SIGN THIS FORM.**
